

# **Worsham Elementary 2017-2018 Vision, Mission, and Core Beliefs**

## **Vision**

We Make It Happen: Believe! Achieve! Succeed!

## **Mission**

We will maintain high expectations and success for all students and staff. We will maintain researched based practices during instruction, the implementation of ongoing assessments, administrative involvement in the classrooms, and a strong curriculum-based instruction with consistency from grade level to grade level.

## **Core Beliefs**

- We believe that knowledge empowers, and we will ensure every student reaches his or her highest academic potential.
- We believe that students should be challenged with a rigorous and relevant curriculum.
- We believe in promoting a safe, caring, and positive environment that positively influences greater academic and behavioral outcomes.
- We believe every child should show respect for self, others, and the environment in their decisions and should accept the responsibility and consequences for their actions.
- We believe engaged parents and guardians impact a student's academic and personal development.
- We believe it is a shared responsibility among the school, community, home, and child for students to succeed and become independent learners.
- We believe in creating and maintaining meaningful relationships with students, parents, teachers, and other stakeholders.
